## VISIT OF JAIPUR HOSPITAL NURSING COLLEGE STUDENTS

On 3rd and 4th August, students from Jaipur Hospital Nursing College visited Disha as part of their curriculum and learned about Disha's work and the children's learning journey. They spent quality time with the children through fun and interactive activities and also distributed play materials, creating joyful and memorable moments together.

## AI FOR NGOS - ONLINE WORKSHOP

On 3rd August, Dr. Bharti Khunteta, Director – Administration, attended an exclusive webinar on “Mastering Advanced Concepts of AI for NGOs” hosted by I-EMERG platform, designed specifically for development professionals who want to understand how AI can become a practical partner in their daily work. The session focused on exploring advanced AI concepts and their practical applications in the nonprofit sector.

## MEETING WITH DELIOTTE

On 5 August 2026, a discussion was held with the Skill Council for Persons with Disabilities (SCPwD) and Deloitte as part of the National Skill Gap Study for Persons with Disabilities in India (2026–2032). The session focused on employment opportunities, skill development initiatives, accessibility, inclusion practices, and grassroots models that can be scaled for persons with disabilities.

## RADIO TALK WITH BoxFM

On 5 August, Dr. Bharti Khunteta and Mrs. Kesar Aara (Sports Coach at Disha) participated in a radio talk with BoxFM on children's abilities and potential in sports. The discussion highlighted what special children can achieve through sports with the right opportunities, encouragement, and support.

## SCOO NEWS GLOBAL ED FEST

From 6 to 8 August, Mrs. Mala Khaitan and Dr. Bharti Khunteta attended the ScooNews Global Ed Fest at Clarks Amer, Jaipur, focusing entirely on disability inclusion in mainstream education under the theme "ABLE." Disha also participated in the exhibition, showcasing products creatively made by its special students, while its students presented an opening dance performance that was warmly applauded and appreciated by the audience.

## INDEPENDENCE DAY CELEBRATION

On 15 August, Independence Day was celebrated at DISHA with members of Shera Energy Pvt. Ltd., BoxFM, Lions Club, and All India Lyneess Club. Students dressed as soldiers and freedom fighters and enthusiastically participated in various cultural activities. They presented dance performances, recited poems, and sang patriotic songs, making the celebration vibrant and memorable.

## VISIT TO HOTEL CLARKS AMER

On 18-19 August, Disha students visited Clarks Amer, where they enjoyed a delicious lunch in a welcoming environment. The students also participated in fun and engaging activities, making the visit a memorable and enjoyable experience.

## SESSION ON SEX EDUCATION & PARENTS TEACHER MEETING

On 22 August, Disha hosted an educational and interactive session on Sex Education and Personal Safety conducted by doctors from Mahatma Gandhi Hospital for parents of children with special needs, providing them with valuable knowledge and practical guidance. Following the session, a Parent-Teacher Meeting (PTM) was held, where parents interacted with teachers to discuss their child's progress and educational needs.

## MEETING ON ASSISTIVE TECHNOLOGY

On 22 August, Mr. Basantt Khaitan, Mrs. Mala Khaitan, and Dr. Bharti Khunteta held a meeting with Mr. Prateek Madhav, Founder of AssisTech Foundation, to discuss the use and integration of assistive technology for persons with disabilities and explore opportunities to enhance accessibility and support.

## RAKHI CELEBRATION

On 26 August, Raksha Bandhan was celebrated at Disha with great joy and enthusiasm, with the BoxFM team also joining the celebrations. Students tied rakhis to their fellow students and teachers, sharing the message that teachers are not only guides but also protectors who care for and support them. The celebration beautifully reflected the bonds of love, respect, and protection, as everyone came together to exchange warm wishes and cherish the spirit of Raksha Bandhan.

## CASE PRESENTATIONS BY JNU & AMITY INTERNS

On 31 August, physiotherapy interns from Jaipur National University and clinical psychology interns from Amity University presented their case studies, sharing their learnings, progress, and experiences with the children. The interns received constructive feedback on their presentations and performance, helping them reflect on their work and further strengthen their professional skills.
